Investigation Note

This synthetic record represents a financial transfer used to test CINTRA's evidence ingestion, relationship extraction, alert generation, investigation-priority analysis, and case reporting workflow. The transaction is intentionally constructed to support the fictional relationship **Ravi Mehra -> Amit Khanna** for demonstration purposes.

DEMONSTRATION NOTICE

All names, transaction details, identifiers, and investigative associations in this document are fictional. This record does not represent a real bank statement, real transaction, real person, or real investigation.
